BUDDED ROSES

WHOLESALE ONLY

FANCHER CREEK NURSERIES, INC.

GEO. C. ROEDING, PRES. AND M'GR.

FRESNO, CALIFORNIA

TO THE TRADE

Our Roses are budded plants, and field grown in rich loose alluvial soil which is conducive in giving them a fine vigorous root system and heavy strong tops—well suited for the retail trade.

We exercise the greatest care to keep all varieties true to name and will replace any that may prove untrue but will not be liable for any amount above the price paid for the stock.

Quotations named are net for stock at Fresno, California, with a small additional charge for packing material.

Plants will be supplied in lots of 50 and over and in not less than 5 of any one variety at quotations named below—Standard or Tree roses fine strong heads regardless of quantity at the prices indicated. The roses are tied in bundles of 10, except Standards, and we would appreciate it if orders were made up as far as possible in multiples of this number.

Sales made subject to stock being unsold when order is received or loss through unavoidable causes.

Orders from unknown correspondents must be accompanied by remittance or satisfactory reference.
